Employment History

June 2008 - September 2009

Creative designer at Select Designs. This position includes graphic and web design, coding sites using CSS and XHTML, Flash animation and CMS integration.

September 2007 - June 2008

Creative designer at Broadbeach Media. This position required me to do web and graphic design as well as flash animation and coding sites using CSS and XHTML.

December 2005 - January 2008

Creative designer for a company called Infolink. My role in this company was as a web designer and graphic designer and I also coded sites using CSS and HTML.

October 2004 - January 2009

Freelance creative designer trading under the name Creative Habit. I have completed projects for companies from Brisbane, Melbourne and London.

These include:

- Golden Door Health Retreat - Promotional Material including Ads, Flyers and Posters.
- The Creative Bunch - The Creative Bunch is a marketing company who hire me to design promotional material for companies including: KFC, Cadbury Schweppes, Luna Park, Victorian Museum, TGI Fridays, Guinness, T21.
- KIK - Australian Open Merchandise Designs 2008
- Mr Wolf - Branding of company including websites, stationery, ads, catalogues and t-shirt designs
- Rokit True Vintage Clothing - Website redesign, online store, business card redesign and promo flyers
- Narroneck Longboard Club - Website redesign, ads, stationery

May 2003 - October 2004 - Coulomb Ltd

I was a creative designer for Coulomb Ltd while living in London. My position required me to rebrand the company as well as completing projects for print and web for their clients.
